Town of Salisbury

1994
Annual Report

NORMA C. LOVEJOY

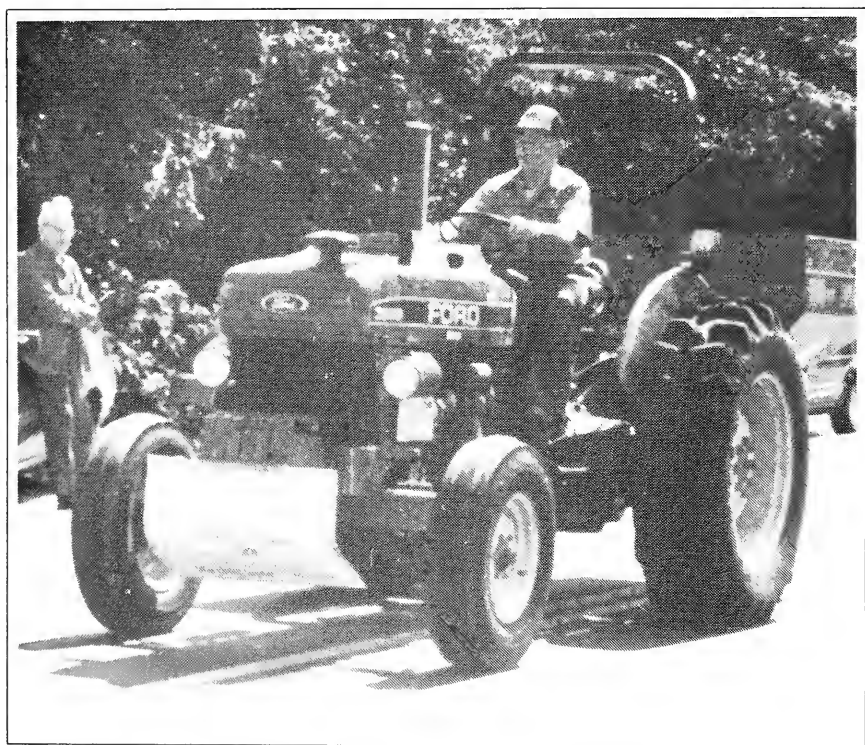

This year the Salisbury Town Report is dedicated to Norma C. Lovejoy. As you can see from our front cover, the new soccer field was named in Norma's honor last fall, as the Norma C. Lovejoy Athletic Field. The Recreation Committee together with the Merrimack Valley School District put together a wonderful dedication ceremony on the opening day of soccer season, September 10, 1994. Norma's years of service to her community include:

- 50 years as a Salisbury School Board member
- 39 years as Town Treasurer
- 27 years as Treasurer for the Salisbury Church
- 25 years on the Budget Committee

Norma has also been involved with the Recreation Committee; has been corresponding secretary for the Salisbury Historical Society for many years; and was recently recognized for spending 25 years looking after the bell chimes at the Salisbury Church. Norma also took care of tending the wood stove at the Selectmen's Office for many years, making sure it was always warm and even cutting and splitting the wood with her sister.

Norma and her sister, Dorothea, were reocognized as Citizens of the Year in 1976. The Lovejoys owned and operated the Crossroads Country Store for nearly 20 years, and Norma was Postmaster for 19 of those years.

We hereby dedicate this Town Report in your honor Norma. No one has given so much and asked for so little!!

Bernard F. Shaw

Bernard F. Shaw, 82, of North Road, died at his home on February 26, 1994. He was born in Salisbury, son of Frank and Gertrude (Gilpatrick) Shaw. Bernard was a lifelong resident of Salisbury.

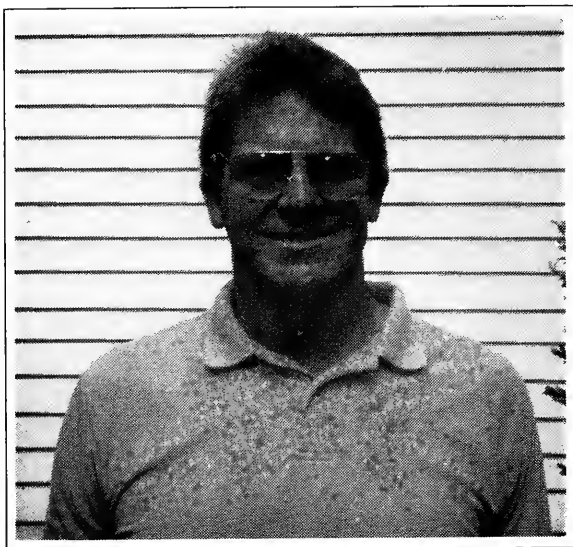

He was employed at J.P. Stevens Woolen Mill in Franklin from 1936 until 1945. For several years he bused school children in Salisbury. He was a former member of the Salisbury Budget Committee.

He also served as road agent. From 1941 until his death he was a dairy farmer. He was a member of the Merrimack County Farm Bureau.

One of 12 children (8 boys and 4 girls), he attended school - up to the 8th grade, but was unable to go further as he had to help support his family and enable others to finish school. He was born in the Shaw Homestead (now the Woody Glen Ski area - then called Shaw Hill, but correctly named Racoon Hill Rd.). He lived at the homestead until his marriage in 1938 when he moved to Franklin and worked in Stevens Mill. In June 1941, he bought the current farm on North Road in Salisbury and lived there the rest of his life. He did farming part-time while still holding down a full-time job at J.P. Stevens. In 1945, he decided to do farming (poultry as well as dairy) full-time, working hard to make the farm what it is today, even helping out on the farm right up until his death. Maple Shade Farm is run by sons David and Gene Shaw along with grandsons Greg Miller and Kevin Shaw.

Liked: Good old United States, family, sweets (including a passion for ice cream), card games, telling stories of childhood - (even imitating the characters involved), just plain talking - he just loved people.

Disliked: Disrespect for country, had no compassion for criminals (thought they were not given proper punishment), smoking, drinking, streetlight on Rabbit Road. (Thought anyone making over \$5.00/hr. was overpaid.)

1994 CITIZEN OF THE YEAR

Edwin Bowne

Ed Bowne has been a resident of Salisbury for nearly forty years, moving here with his family when he was about eleven years old. He and his wife Beverly made their home here together in Salisbury nearly twenty-three years ago and have two daughters, Susan and Theresa and a granddaughter Hanna.

Ed became Fire Chief in 1983 and has been a member of the Salisbury Volunteer Fire Department for over twenty years, holding nearly every office within the Department. He is also presently a Deputy Fire Warden. Ed is also a veteran of the Vietnam War.

Ed recently completed a First Responder Course and is now a member of the Salisbury Rescue Squad.

Ed's father, Lawrence Bowne, was a member of the Salisbury Fire Department years ago and was Forest Fire Warden for twelve years.

Ed's hard work and dedication to the Salisbury Fire Department is evidenced in him averaging nearly ten hours a week on department related work at home behind the computer or physically being at the station.

The citizens of the Town of Salisbury thank Ed for his dedication and commitment to the Town and hereby honor him with the 1994 Citizen of the year Award.

WARRANT FOR THE ANNUAL TOWN MEETING

THE POLLS WILL BE OPEN FROM 1:00 PM
TO THE CLOSE OF BUSINESS MEETING
ABSENTEE BALLOTS WILL BE PROCESSED AND CAST AT 3:00 PM
BUSINESS MEETING AT 7:30 PM

To the Inhabitants of the Town of Salisbury, in the County of Merrimack, in the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in Salisbury on Tuesday, the 14th day of March, 1995 at one o'clock in the afternoon to act upon the following subjects by ballot; Polls will close for balloting no earlier than the close of the Business Meeting.

1. To choose the following Town Officers: Selectman, Treasurer, Tax Collector, Town Clerk, Library Trustee, Trustee of Trust Funds, Cemetery Trustee, Planning Board, 3 Budget Committee members and 5 Recreation Committee members.

And to act upon the following subjects at the business meeting at 7:30 PM

2. To hear the reports of the Officers of the Town, agents, auditors and committees appointed and pass any vote relating thereto.
3. To see if the town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to be placed in the North Road Bridge Capital Reserve Fund, established in 1992. (The Selectmen and Budget Committee recommend this appropriation)
4. To see if the Town will vote to raise and appropriate the sum of Sixty Thousand Dollars (\$60,000) for the purpose of building renovations at Academy Hall for handicap accessibility (lift to second floor and handicap accessible bathroom) and the renovations of the woodshed into office space. This appropriation shall be funded as follows:

- (1) \$20,000 from Town funds previously encumbered under Article 15 of the 1993 Annual Meeting;
- (2) \$5,000 from the Bartlett Subordinate Grange; and
- (3) the remaining balance of \$35,000 to be raised through the issuance of bonds or notes pursuant to RSA 33 and to authorize the Selectmen to issue and negotiate such bonds or notes and determine the interest rate thereon; and the Town to further authorize the Selectmen to seek and accept contributions from other local sources to offset the amount needed to be raised by taxation;

(Selectmen and Budget Committee recommend this appropriation. Two-thirds ballot vote required.)

5. To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000) to be added to the Fire Emergency Services Equipment Capital Reserve Fund, established in 1994. (The Selectmen and Budget Committee recommend this appropriation).
6. To see if the Town will vote to raise and appropriate the sum of Twenty-five Hundred Dollars (\$2,500) to be added to the Rescue Emergency Services Equipment Capital Reserve Fund, established in 1994. (The Selectmen and Budget Committee recommend this appropriation).
7. To see if the Town will vote to raise and appropriate the sum of Twenty-five Hundred Dollars (\$2,500) to be added to the Police Emergency Services Equipment Capital Reserve Fund, established in 1994. (The Selectmen and Budget Committee recommend this appropriation).
8. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to be placed in the E-911/Tax Map Capital Reserve Fund, established in 1993. (The Selectmen and Budget Committee recommend this appropriation).
9. To see if the Town will vote to raise and appropriate the sum of Twenty-five Hundred Dollars (\$2,500) to be added to the Reassessment of the Town Capital Reserve Fund, established in 1986. (The Selectmen and Budget Committee recommend this appropriation).
10. To see if the Town will vote to raise and appropriate the sum of Twenty-five Hundred Dollars (\$2,500) for the paving of the parking area at Academy Hall, to be added to the Four Thousand Dollars (\$4,000) authorized to be withdrawn from the Town Buildings and Grounds Capital Reserve Fund in Warrant Article #17 at the March 1994 Town Meeting for this project. (The Selectmen recommend this appropriation . Not recommended by Budget Committee).
11. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to be added to the Town Buildings and Grounds Capital Reserve Fund, established in 1972 and renamed in 1992 and to designate Selectmen agents to expend from this fund. (The Selectmen and Budget Committee recommend this appropriation).
12. To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000) to be added to the Recreational Facilities Capital Reserve Fund, established in 1987. (The Selectmen and Budget Committee recommend this appropriation).
13. To see if the Town will vote to appropriate the sum of Thirty-three Hundred Dollars (\$3,300) for the clearing of land at Maplewood Cemetery and to authorize the withdrawal of that amount from the cemetery general maintenance fund (Maplewood expendable trust fund) established in 1991. (The Selectmen and Budget Committee recommend this appropriation).

14. To see if the Town will vote to accept the budget as presented by the Budget Committee and to raise and appropriate such sums as may be necessary to defray Town charges for the ensuing year, or to pass any vote relating thereto.
15. To see if the Town will vote to authorize the Selectmen to adopt, after public hearing, an ordinance imposing a fee structure for emergency medical response services provided by the Town. The fees shall be set to reimburse the Town for costs incurred in providing various types of services and provisions shall be included to allow reduction or waiver of fees in hardship or other appropriate cases. This fee shall be paid to the Town and shall not be deemed to constitute direct compensation to any member of the Town's emergency medical response squad. Any person who requests emergency medical services from the Town who does not pay any such fee when due shall be deemed guilty of a violation and shall reimburse the Town for all costs incurred in collection of the fee.
16. To see if the Town will vote, pursuant to RSA 674:40-a, to delegate to the Selectmen the authority to accept, as Class V highways, dedicated streets which correspond to streets shown on subdivision plats or site plans approved by the Planning Board or on a street plat made or adopted by the Planning Board. The exercise of such authority shall be discretionary and on the following terms and conditions: (1) approved by Planning Board; (2) required maintenance bond (at least 2 years); and posted public hearing before Selectmen accept deed to road.
17. To see if the Town will vote to increase to \$1,000 the annual exclusion of FICA contributions for election workers and to authorize the Selectmen to take all action related thereto.
18. To see if the Town will vote to authorize the Board of Selectmen to accept gifts of personal property, other than cash, to the municipality for any public purposes. This authorization in accordance with RSA 31:95-e shall remain in effect until rescinded by a vote of the Town Meeting. (Majority vote required).
19. Shall the Town accept the provisions of RSA 202-A:4-c providing that any town at any annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the public library trustees to apply for, accept and expend, without further action by the Town Meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year. (Majority vote required)
20. To see if the Town will vote to establish a Town Cemetery Maintenance and Operation Trust Fund, and to authorize the Trustees of Trust Funds to take and hold funds in trust to be placed in said Trust Fund, upon recommendation of the Cemetery Trustees. Said Trust Fund shall be used to defray operating and maintenance expenses for all Town Cemeteries. Unless otherwise designated by the Cemetery Trustees, all proceeds from the sale of cemetery lots shall be placed in this Trust Fund and shall be available for expenditure by the Cemetery Trustees in accordance with RSA 289:7.

- 21. To see if the Town will vote to confirm the establishment of a Town Fire Department pursuant to RSA 154:1, I (a) and to authorize the Selectmen to enter an agreement with the Salisbury Volunteer Fire Department as a firefighter association pursuant to RSA 154:1-b.
- 22. To see if the Town will vote to authorize the Selectmen to sell Town property with a value under Three Thousand Dollars (\$3,000).
- 23. To transact any other business that may legally come before this meeting.

GIVEN UNDER OUR HANDS AND SEAL THIS 10th DAY OF FEBRUARY, 1995.

SELECTMEN'S REPORT

The year 1994 was a challenging one. Our tax rate was set late October and was increased by \$4.23. The biggest contributing factor is the school portion. Town increased by .42, County by .05 and School by \$3.76.

This year the Board of Selectmen, after consultation with the State Department of Revenue, decided to do a land valuation update within the Town. The economy has changed since the reevaluation was done in 1990 and land values are down. Once the update was completed most land was reduced by 40%. Our equalization ratio returns to 100%. This year's Town Report includes a listing of all property valuations.

Automation within the Town Office is moving ahead. Training has begun for our office staff to be able to generate our own tax bills. A new telephone system was installed in May of 1994 to allow the office staff more flexibility. The Kearsarge Telephone Company generously donated a computer and printer to the Salisbury Cemetery Trustees to assist in their record keeping.

In the fall of 1994 the new soccer field was dedicated to Norma Lovejoy. Norma is a long time resident of Salisbury and devoted to the young as evidenced by her 50 year commitment as a Salisbury School Board member. The Merrimack Valley school system and the Town of Salisbury are proud to name the soccer field after Norma.

The Board of Selectmen ran into a stumbling block when we tried to have the parking lot at Academy Hall paved. The bids were a lot higher than the amount of money we asked for. We have put the project on hold, until after the 1995 Town Meeting when we will ask the Town to appropriate additional money to complete this project.

The heating system at Academy Hall was continued to the upstairs and entry way. The Board of Selectmen will be asking the towns people to consider an article regarding the accessibility to the second floor via a lift and having the bathroom handicapped accessible, as well as address the need for more office space. As we move forward, we need to review the Town buildings and with the help of the Capital Improvements Committee, Library Trustees, Fire Department, etc. we will be discussing the need for renovations in several of the Town buildings over the next few years.

E-911 is moving along rapidly. The Committee has the road signs and numbers available and we plan to be ready for implementation July 1, 1995.

In 1994 we again utilized the Merrimack County Diversion Program. The Diversion Program provided manual labor in June to clean up the grounds and remove bushes in the back of the Town Hall and Library as well as helped with the annual cleaning of the Town Hall. Later in the summer the repaired clapboards in the back of the Library were painted.

At the 1994 Town Meeting an article was passed to raise and appropriate an amount not to exceed \$12,000 for repairs to the 1972 Ford pumper to return it to active service. The necessary repairs were accomplished at a cost of \$7621 and the fire truck was inspected and returned to active service. The Selectmen and Fire Department are working together to ensure we have proper maintenance on our vehicles and are looking towards long term plans for fire equipment to be replaced.

The Board moved ahead this past year and built a place for demolition debris and a container was utilized until the end of November. In the coming year we will accept demolition debris per our regulations and will have a container available as it is needed. Please feel free to share with the Transfer Station Operator, Ed Sawyer, or the Selectmen any questions or comments you have with regard to the operation of the Transfer Station.

We want to make honorable mention of our oldest citizen and holder of the Boston Post cane, C. Larry Barber. He is 95 years young and we all wish our best to him.

We also want to note that Edwin Bowne was our 1994 Citizen of the Year and the Selectmen have dedicated this year's Town Report to the memory of Bernard Shaw.

The Board of Selectmen appreciate all the help from the many volunteers and reiterate the need for the citizens of this Town to get involved in local issues. It is important to you and the Board to have interested citizens help with committees, projects, etc. Please take the time to review the Town Report and if you have questions, concerns or comments to get in touch with any or all of the Board of Selectmen.

In closing, we look forward to 1995 and will do our best to serve the people of the Town of Salisbury.

Respectfully submitted,

Kathleen Downes, Chairperson

Mary R. Heath

AUDIT

TOWN OF SALISBURY,
NEW HAMPSHIRE

FINANCIAL STATEMENTS

DECEMBER 31, 1994

Please note that only a portion of the Town's Financial Statements appear in this Town Report. These pages are the only ones required by the Department of Revenue Administration to be printed in the Town Report. Be advised that the ENTIRE Audit is available at the Selectmen's Office, Academy Hall, for review. The Selectmen feel that printing only the required pages will save money in the printing of this report.

Plodzick & Sanderson Professional Association193 North Main Street Concord, N.H. 03301 (603) 225-6996*INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION*

To the Members of
the Board of Selectmen
Town of Salisbury
Salisbury, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Salisbury as of and for the year ended December 31, 1994, as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Salisbury as of December 31, 1994, and the results of its operations and cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Salisbury. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

SALISBURY HIGHWAY DEPARTMENT REPORT

1994 started off with a lot of snow and cold weather. We had a lot of frozen culverts and ice problems.

During the summer months calcium was applied to most of the dirt roads. Culverts were replaced on New Road, Raccoon Hill Road, Oak Hill Road, Quimby Road and Couchtown Road. Also some trees were cut and ditches were cleaned on Couchtown Road.

North Road was ditched, shimmed and sealed. The paved end of Raccoon Hill Road was ditched; some rocks were removed and it was shimmed.

SALISBURY FREE LIBRARY

This year the Salisbury Free Library took some big and small steps toward the 21st century.

Thursday morning winter hours were reinstated and Tuesday evenings we were open from 5 to 7 in addition to our regular hours. This brings our service hours to fourteen (14) per week, toward our goal of twenty-two (22), as required by the State for a town of our size. We are grateful to the many volunteers who made this possible!

Our book-leasing program continues to provide patrons with best-seller fiction and non-fiction in a timely fashion. Our book and video collection continues to grow, and we are rapidly running out of space to house that collection.

The Friends of the Library have contributed many hours and funds towards collection development, seasonal decorations and special projects. Some of the special projects were: an Open House, our ever popular summer story times and the Christa McAuliffe Planetarium pass, as well as the continuation of purchasing books to honor the birth of a new Salisbury citizen (7 for 1994). We also held our book sales (donations of used books are always welcome!). Many individuals who wish to remain anonymous have donated books, videos and other materials to make the Library a very special place.

Perhaps, most exciting to the Trustees and the Librarian is the recent donation of a computer to the Library that will truly mark our way into the 21st century. We now have a computer with CD-Rom. One amazing CD is the encyclopedia that comes on one disc - all 26 volumes and it brings our collection back into current dates and information. THANK YOU FRIENDS OF THE LIBRARY.

We thank everyone in Salisbury for you continued support, making our library an unusually good one for such a small town. We continue to revamp our space in order to better meet our increasing informational needs. We continue to work toward necessary expansion in the future.

Our hours are:

Tuesday 1-5, 5-7 (During school term, Sept. -June)
Thursday 9-12
Friday 6-8
Saturday 1-4

SALISBURY FIRE DEPARTMENT & RESCUE SQUAD

The Fire Department has had a very full year in 1994. We had 72 calls for the year. They were for 14 auto accidents, 22 medical calls, 1 chimney fire, 1 structure fire, 2 forest fires, 14 mutual aid calls, 2 electrical problems, 2 illegal burns and 15 miscellaneous calls.

In '94 several firefighters trained for the Rescue Squad and became First Responders. This year they will update their training to EMT (Emergency Medical Technician) level. The Fire Department and Rescue Squad logged 2000 hours in training and almost 1000 hours answering calls, performing repairs and other miscellaneous duties.

The department also formed a long range planning committee to assess our needs of today and the future. The Committee members are: Chairman Paul Hurley, Judy Lovering, Bill Lovering, Don Cudhea and Ed Bowne. Anyone interested in working with this committee, please contact any committee member.

We are also interested in hearing from anyone who would be interested in joining the Department or who would like to help in other ways. With our schedule, we find it hard to do all the needed repairs to equipment and keep the station and grounds the way we would all like to see a Town building. Please contact Ed Bowne at 648-2553 if you can lend a hand.

The Rescue Squad has been advancing in skills and is now better prepared than ever before to respond. Two members upgraded their skills to become EMT's and 5 members are currently bridging to EMT and two are in training to become First Responders. This is a tremendous sacrifice in terms of time for members and families and it is paying off for the community. We have been able to transport for most of our medical calls and this gets our patients to definitive hospital care much faster.

I would like to thank all the people who have helped and supported the Department in '94 and all the past years. It is only with your support that we can serve our community with pride.

Respectfully,

Ed Bowne
FIRE CHIEF

FOREST FIRE WARDEN ANNUAL REPORT

This was a quiet year for brush fires - 1 grass fire and 4 brush fires - all were illegal.

Fire permits are required for all outside fires when the ground is not completely covered with a minimum of 2" of snow. If in doubt, please call:

Fire Warden Dennis Patten	648-2398
Deputy Warden Walter Scott	648-2647

I do appreciate being told of burning, even if a permit is not required, as it makes it easier to inform Fire Alarm of the circumstances if someone calls them with a report of a fire.

Permits are required when it is raining - although you can burn on a rainy day WITH a permit, you must put out the fire if the rain stops. You can burn nothing over 5" in diameter, no stumps. You cannot burn any rubber products, roofing material, nothing that will give off toxins of any kind. Permits are needed for all incinerator and outside cooking fires with the exception of charcoal grills.

Permits Issued:	1993	1994
Brush	76	81
Cooking	13	16
Debris	4	8
Incinerator	14	13
Grass	11	0
Campfire	5	8
	<hr/>	<hr/>
Totals	123	126

The increase, I believe, was due to the fact that in the hot and dry weather of this past summer, permits were closed for a period of time. Your Warden and Deputies do attend a yearly State sponsored class on fire suppression.

This past year Smokey the Bear was fifty years old!! Let's help keep our town clean and green.

Mutual Aid Call: East Andover & Franklin To Salisbury- 1

This year we purchased a portable pump to fill the water tanks on the Forestry truck and a portable radio. We have a request in for a bigger and better forestry truck from General Services Administration.

We look forward to having a fire-safe year in 1995.

Dennis Patten
FOREST FIRE WARDEN

REPORT OF STATE FOREST RANGER

In calendar year 1994, our three (3) leading causes of fires were No Permit, Children and Rekindles of fires where the fire was not properly extinguished.

Violations of RSA 224:27 II, the fire permit law, and the other burning laws of the State of New Hampshire are misdemeanors punishable by Fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

To aid your Forest Fire Warden, Fire Department and State Forest Fire Officials, contact your local Warden or Fire Department to find out if a permit is required. This also helps to prevent unnecessary response to a controlled burn.

<u>Forest Fire Statistics</u>	<u>1994</u>	<u>Average 1990-1993</u>
Number of Fires Reported to State for Cost Share Payment	283	443
Acres Burned	217	246

Suppression cost = \$90,000+

Fires Reported by Lookout Towers (1994)

Fires Reported	588
Assists to Other Towers	363
Visitors	21,309

Fires Reported by Detection Aircraft 89

Local communities and the State share the cost of suppression on a 50/50 basis. The State of New Hampshire operates 15 fire towers and 3 contract aircraft patrols. This early detection and reports from citizens aid the quick response from the local fire departments.

SALISBURY POLICE DEPARTMENT

During the year some residents expressed concerns about the way their phone calls were handled by our dispatch service. I thought I would use this space to explain what should happen when you call us.

Our phones are answered by the Merrimack County Sheriffs Department Dispatch. This center answers the phone for approximately 15 agencies. This means that they can be very busy. When you call, the first thing they will want to know is if the call is an emergency. If your call is a true emergency the dispatcher should help you immediately by taking your information and the nature of the call. A true emergency is different than something you may consider important. A car accident with injury, someone trying to break into your house, or a robbery in progress are examples of emergencies. If you come home and find someone has broken your expensive picture window, this is not an emergency (however, it is still very important to us). If you have a true emergency, the dispatcher should get the help you need immediately.

When your call is not an emergency several things could happen. If a Salisbury Police Officer is on call, the dispatcher will take the information and have him get back to you. If a Salisbury Officer is not on duty, the dispatcher may ask if you want to wait for us to come on duty or call the State Police. Some people have been upset that the dispatcher would not call State Police for them. The reason for this is the State Police Dispatcher needs to hear from you in person. The dispatcher will want to know where you live and directions to the call. There is more room for error if the County Dispatcher takes the information and passes it on. Also, the State Dispatcher will be able to tell you better when you can expect an officer to arrive.

Whenever you have concerns about the way a call is handled, please bring them to my attention or any of the officers and we will be glad to look into it. We wish we could be there 24 hours a day to assist you, but due to the expense we still rely heavily on the State Police to answer calls in town.

E-911/TAX MAP COMMITTEE

The E-911/Tax Map project is moving along very well. 1994 was a busy year for the committee. Numerous portions of the project have been completed and the remaining portions are moving along smoothly.

The State of New Hampshire purchased Global Positioning System equipment early in 1994 that made it possible for us to locate and assign numbers to the buildings in town. Committee members drove the town in a specially equipped vehicle that had the electronic equipment to locate and record the location of all buildings in town. Numbers were assigned during this process. This was done early in April. The State then created a draft set of maps that showed all buildings as well as the assigned numbers. These were delivered to us in August. These maps are in the process of being verified by the Committee.

The State has been requested to provide this service by 140 New Hampshire communities. We are fortunate that we asked for it early as they have driven just over 40 of these communities as of January and have completed final maps for five of them.

The three telephone companies that serve the town have supplied names of all telephone service subscribers. We are in the process of taking all the numbers from the maps and assigning them to the names of each telephone user in town. The phone companies will then supply this information to the Bureau of Emergency Communications to enter into the E-911 database. The Committee wishes to thank the numerous residents whom we have called for their assistance in verifying this data. We have 80% of this portion complete and expect to finish it in January.

We will be working with the Postal Service to notify residents of their address. We hope to have all notifications completed by April. Some residents will have a street address as well as a mailing address as the Postal Service has notified us that Salisbury mail will be delivered from several different Post Offices.

The Committee has completed a road sign review and recommended sign additions or replacement, to the Board of Selectmen, to properly identify all town roads and streets to help emergency crews in locating the correct address.

Numbering guidelines have been established to ensure consistent size and placement of numbers. There is a good possibility that all residents will be supplied with one set of numbers.

We anticipate having all portions of the E-911 project completed in time for the scheduled July 5, 1995 start date.

We would like to express our gratitude to our Postmaster, Dot Bartlett, for her invaluable assistance to us in this project.

Respectfully submitted:

CEMETERY TRUSTEES

The Cemetery Trustees have been able to accomplish many things in 1994, thanks to the help we received from many people.

Madeleine and Jim Minard have worked many long hours at Maplewood Cemetery. They have leveled head and foot stones, straightened leaning and toppled head stones and filled in graves where they have sunk in. They have also cleaned many head stones and made them legible again, as well as repairing some that have been broken. Both Jim and Madeleine have said they would welcome any help from people in town who would have an interest in making our cemeteries look better. Anyone having an interest in helping, please contact the Minards or the Cemetery Trustees.

A very heart felt thanks to the Kearsarge Telephone Company and especially to Richard Brady, General Manager and Jim Minard, Senior Network Operations Supervisor, for the used computer that was donated to the Town of Salisbury for use by the Cemetery Trustees for record keeping purposes, as well as grave site locations in our cemeteries and enable us to better locate how much available space is left.

Thanks to Sarah and Terry Perry of Perry Brothers Monuments, Concord, for their much needed help given in learning how to properly clean and repair the grave stones and how to properly level them, as well as what products we could use without harming the stones or the environment in and around the cemetery.

Other thank yous go out to MacDuffie Construction, Salisbury, for the load of loam used in the repair of sunken graves, before re-seeding; to Ray Cote, Salisbury, for making us a tool which we use in locating buried vaults when we need to mark a site for a new burial; and to the many other people who have helped us through their knowledge and encouraging words over the past year and to those who have brought possible problems to us so that we can act upon them quickly and we hope successfully.

We look forward to 1995 and to the further improvement of our cemeteries. We would ask you to please read the warrant articles in this Town Report to see some of the things we have planned, and we ask for your support of these articles so that we may continue with the improvements planned for 1995.

BUILDING INSPECTOR

Construction in Town remained low another year. Permits were issued for several new houses and for a variety of additions and property improvements.

We welcome David Chamberlin to the position of Deputy Building Inspector. His years of experience are certainly an asset to the Department.

As we do each year, we remind you to check your smoke detectors and to consider installation of new units if you do not have any.

Our office hours have changed to Tuesday evenings - 6:30 to 8:30 PM at Academy Hall. We are available at other times by appointment.

VISITING NURSE ASSOCIATION

Two words describe the 1993-94 year in review - growth and change. The home health care industry continued to be the fastest growing segment in health care. In the past two years the Visiting Nurse Association of Franklin (VNAF) has experienced a 28% growth. This growth has brought unprecedented change in programs, services, staff and network development.

Outreach to and involvement with the citizens of Salisbury has been a major focus of this Agency. There were many joint efforts and collaborative undertaking, enabling us to provide additional adult health support in your community. In addition, the VNAF received special funds from the Bureau of Maternal and Child Health to provide free immunizations for children two months to two years of age in Tilton, Hill, Salisbury, Webster and Northfield.

The accomplishments in 1993-94 were due to a very supportive community, a committed Board of Directors, dedicated staff and volunteers. Mutual respect and trust has been the foundation for success in both management and governance. The combination and interaction of these two ingredients made the mission of the organization come alive. Challenges became opportunities and roadblocks were only stepping stones to greater progress. We are confident that VNAF will continue to "ride the waters" of change and growth as it continues to fulfill its mission:

To ENHANCE the GENERAL HEALTH of the SALISBURY COMMUNITY by PROVIDING QUALITY HEALTH CARE to the people in need, by PERSONAL DEDICATION TO EXCELLENCE.

1994 SERVICE STATISTICS

In 1994 over 651 services were delivered to the people residing in Salisbury and 33,899 to our entire catchment area. Our Hospice and Child Health Program continued to expand as did our volunteer component that assisted in these programs. We also offered Continuing Education Programs to registered nurses who work in the surrounding communities.

CAPITAL IMPROVEMENT PROGRAM

The committee members were present at each Selectmen's Meeting in the Fall, of 1994 at which time the various Department Heads presented their 1995 budget requests. By attending these meetings, it assisted the committee in gaining first-hand the short and long term needs within the Town.

Immediately following Town Meeting, 1995, the committee will meet to update the CIP chart and make its presentation to the Planning Board. With Planning Board approval and adoption, that Board will reference the CIP whenever subdivisions/developments are presented.

Thank you for everyone's support!

SALISBURY RECREATION COMMITTEE REPORT

This year was busy for all of us on the Recreation Committee. We sponsored a trip to Montreal for adults on Valentine's weekend. Ten couples attended and a great time was had by all. We look forward to planning another trip in the future.

Our Youth Sports were well attended in baseball/softball, soccer and basketball. We want to thank all coaches and referees for their assistance and parents for their support.

The Recreation Committee sponsored a horseshoe tournament at the Salisbury Old Home Day in August. The event was well attended and the winners were Ed Bailey of Salisbury and James Robison of Bristol.

Our major event was preparation for the dedication ceremony of the Norma C. Lovejoy Athletic Field. Special friends and family of Norma attended the dedication. Speeches by Bruno Floro and Randy Bell preceeded the unveiling of a granite sign by her grandniece and grandnephews. This dedication was to honor Norma's decades of service to the Town of Salisbury and her committment to the children of the Town by her 50 years on the School Board and counting.

The children and parents enjoyed a great soccer season hosting home games and we received many compliments as having one of the best fields in the league. For the season finale we had an adult versus kids game and a potluck luncheon. After a lot of huffing and puffing the adults reigned victorious.

SALISBURY OLD HOME DAY

Planning for Old Home Day this year involved more people, with input from more town organizations and groups which produced new ideas and more activities.

The parade added the Daniel Webster Fife and Drum unit and had more floats entered by local groups. Winners were: "Woodstock" by the Broas family; the Swiftwater Girl Scouts; and the Bartlett Grange. Other attractive floats added to the scene. The retired firemen from Andover, Smokey the Bear (compliments of Forest Fire Warden Dennis Patten), and the float by the NH Fish & Game Department were welcome entries. The Andover One-Wheelers were in Concord for the Babe Ruth World Series and therefore were not available to us this year.

Two horse entries, Lucia Rapalyea and Pam Davis, received 1st and 2nd place prizes.

Fire Chief Edwin Bowne received the Citizen of the Year award for his many years of service to the Salisbury Volunteer Fire Department.

Fred Shaw always rounds up a number of antique cars, not only for the parade, but to be on exhibit afterwards. Thank you to Gail Clukay, who again graciously maneuvered the kids in their costumes and bicycles into the parade. The Mad Bavarians again performed their usual for us this year and always do a great job.

Both the PTG and the Salisbury Kindergarten have held fundraisers the past few years which helps to broaden the interest in the Day.

The newly added Horseshoe Tournament attracted quite a few competitors and spectators and certainly should be repeated in the coming years. Anymore great ideas out there!!

Thank you to all who helped out in anyway, we had a successful year and we will stay with the change in date, being the second week in August.

SALISBURY HISTORICAL SOCIETY

The Salisbury Historical Society serves the community in many ways. Organized in 1966 to preserve Salisbury history and to collect, preserve, and display local artifacts we offer several programs of community service throughout the year.

Since the fourth grade is when our students study New Hampshire history, we do several things for that class in addition to making them honorary members of the Society for the year. In the fall Kim Sowles from Tilton takes the group to a Town cemetery for the story of gravestones and an actual stone-rubbing exercise. We also sponsor them to a trip to the New Hampshire Historical Society Museum in Concord.

We award, to a Salisbury senior attending one of the area high schools, a \$1000.00 scholarship to be used towards any post secondary school education. This year's recipient was Melissa Rayno.

Programs, four a year, are open to the public. Last spring three "Old Timers" - Orvie Shaw, George Beaully and Isabel Eaton, shared their experiences in the district schools of their day. This was so well received, especially by the students and their families, that a repeat performance is scheduled for April this year. We plan the addition of one or more to the panel.

The museum is open on summer Saturday afternoons. Featured are the Town hearse, memorabilia of Daniel Webster and Senator Gallinger, who served in the U.S. Senate, possibly longer than anyone, and many Salisbury items of interest. Also, pictures of Salisbury past are available at the Salisbury Library.

The Society is also active at Old Home Day, sponsoring the Country Fair, several sales projects, and by providing money for the parade prizes. Other fund raisers are planned each year. We do have a modest endowment, but have to raise money throughout the year to continue our community projects.

We welcome new members and new ideas on how we can continue to serve the community.

BARTLETT SUBORDINATE GRANGE #104
For the Community with the Community

The Grange held meetings regularly throughout the year. The meetings began at 7:30 PM on the 1st and 3rd Thursday of each month.

The Grange held card parties on the 2nd and 4th Saturday nite of the month, April thru November. Monies raised from the parties were donated to the Lift Fund for Academy Hall. At Christmas season, Bartlett Grange members donated gifts to the New Hampshire Veteran's Home in Tilton. Also donated handcraft items for the residents Christmas Sale at Merrimack County Nursing Home.

Other activities the members participated in were: the Fire Warden's Supper; Old Home Day; local Christmas Craft fair; National Grange crafts competition; and Grange Bowling Tournament. Also Bartlett Grange has applied to Adopt-a-Highway, two miles of Route 4 - one mile in either direction from the intersection of Routes 4 and 127.

On May 19, 1994 the Grange Citizenship Award was proudly presented to Beverly Sawyer. Congratulations to Bev. This award is presented annually to a non-granger.

Grange members meet the second Sunday of each month for Go-to-Church Sunday at the Salisbury Congregational Church. They also help with the monthly Senior Citizens Luncheon in the Parish Hall.

Bartlett Subordinate Grange celebrated its 110th Anniversary on December 1st at the Town Hall. The State Master and Past State Master, State Grange Historian and many other dignitaries, along with representation from thirteen other Granges attended. Bartlett Secretary Martha Patten read an updated History of Bartlett which she had written.

Have a healthy and prosperous year.

Arthur E. Cutter, Sr.
Master Bartlett Sub. Grange

SALISBURY PLANNING BOARD

In 1994 the Planning Board made changes to the Zoning Ordinance as the new regulations were passed at Town Meeting. This change was to better meet the Town's residential and commercial development. Also, the zoning Maps were changed and updated according to these changes and should be available soon.

The Board continued to meet with the Chamberlin's on their West Salisbury Road subdivision, with the discussions focused on the installation of the dry hydrant and the building of the road to enter the property.

In May, the E-911 Committee visited the Board to discuss developing regulations for measurement of the roads for the new numbering system.

Throughout the year the board reviewed the Subdivision Regulations and revised the wording to make it easier to understand.

This year Alternate Al Tanner joined the Central New Hampshire Regional Planning Commission as Salisbury's representative and has kept us apprised of the meetings agendas.

Also, throughout the year, discussions have continued with the Fifield's and their proposed sawmill on Route, which has run into many procedural problems.

In 1995 the Master Plan will be reviewed and revised as necessary.

Current members (as of 12/31/94) include: Arthur Cutter, Sr. as Ex-Officio; Bill Lovering, Chairman; Bob Irving, Acting Secretary; Tom McDonough; Geri Burgess; Alternates Bill MacDuffie, Sr., Ray Prince, Al Tanner and Recording Secretary Rachel MacDuffie.

Bill Lovering, Chairman
SALISBURY PLANNING BOARD

CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

329 Daniel Webster Highway
Boscawen, New Hampshire 03303

(603) 796-2129

The Central New Hampshire Regional Planning Commission (CNHRPC) is a voluntary association of 20 towns and the City of Concord in Merrimack and Hillsborough Counties. The Town of Salisbury is a member in good standing of the Commission.

Our two part mission is to help our communities prepare and implement local plans and to plan for the effective and appropriate development and utilization of the resources of the region.

Our accomplishments over the last year include:

- adopting the transportation element of the regional master plan;
- preparing a transportation improvement program (TIP), the capital improvement plan for transportation in the region;
- updating the Merrimack County overall economic development plan;
- preparing a management plan for the Contoocook River;
- supporting community representatives planning for the Soucook River;
- preparing the update to the affordable housing assessment to provide support and guidance to local planning efforts;
- preparing a transit information report;
- providing a wealth of information for use by local planners;
- providing high quality and timely technical assistance to member municipalities;

Special activities in Salisbury included:

providing geographic information system base maps for town projects; consulting with the planning board on subdivision review; and providing maps for the town's E-911 system using the CNHRPC GIS mapping system.

SALISBURY RECYCLING PROGRAM

During 1994, we continued our modest, volunteer-managed recycling program at the Town Transfer Station. Town residents sorted about 25 tons of newspaper, cardboard, plastic bottles, glass containers, steel and aluminum cans from their household trash. Volunteers helped sort and maintain the quality of recyclable material at the transfer station. Underhill Trash and Refuse hauled the collected materials to the Warner Recycling Center to be baled, granulated otherwise densified and shipped to market. In addition, Salisbury residents recycled 32.9 tons of appliances and other scrap metal items, plus the CFC refrigerants in 23 refrigerators. (The federal government requires extraction of CFC's for recycling prior to recycling refrigeration appliances.)

Here's the list of what we collect for recycling at the transfer station. Please make a copy and post it in your home for handy reference:

- *aluminum beverage cans
- *tin foil and other foil products
- *newspaper - glossies and comics OK, store in paper grocery bag; NO PLASTIC BAGS
- *corrugated cardboard - flatten boxes; NO PAPERBOARD (shoeboxes, etc.)
- *steel ("tin") food and beverage cans, empty aerosols, air dried paint cans
- *plastic carbonated beverage bottles; separate clear bottles from green bottles
- *#2 plastic translucent bottles (milk jugs and other household translucent #2 bottles)
- *#2 colored bottles (any narrow-necked white or colored bottles stamped with a #2)
- *mixed-color glass containers: food and beverage containers only
- *appliances and other metal items (stoves, pipe, bicycle frames, metal door and window frames, tools, etc.) NO TVs, FURNITURE OR OTHER NON-METAL ITEMS

PLEASE make sure all containers are empty and well-rinsed.

PLEASE remove all jar lids and bottle caps.

PLEASE sort your own recyclables into containers set out below the trailer steps when the recycling center is open.

PLEASE do not bring plastic containers other than those listed above.

PLEASE remove non-metallic materials such as bicycle tires, window glass and plastic coverings before adding items to scrap metal pile.

The recycling program operates the first and third Saturdays of the month only. Do not leave recyclable material on the ground if the recycling center is not open.

Regional and national markets for recyclable materials have improved markedly in the past six months. Experts predict sustained strength for these markets, as more and more companies worldwide continue investing in plants that transform used materials into a wide array of new products. We will be looking for ways to lower the cost of our recycling program in light of an improved market outlook for recyclable materials.

We are grateful to our Transfer Station Manager, Ed Sawyer, for his good humor, support and dependability. Hats off to our many recycling program volunteers, who came out in all kinds of weather to get the work done. By the way, we welcome new volunteers. The time commitment is minimal - an hour or two every couple of months. If you're interested, leave your name with the Selectmen or contact the recycling coordinator directly. Remember, what goes around, comes around!

Respectfully submitted,

Peg Boyles
SALISBURY RECYCLING COORDINATOR

SALISBURY TOWN MEETING MINUTES March 8, 1994

The meeting was called to order at 1:00 PM with Moderator Edward Bailey presiding. The polls were declared open for official voting. The Business Meeting was called to order at 7:30 PM and a invocation was offered by John Stahl. Thanks was given to the Salisbury Community Kindergarten for a nice dinner.

At this time Moderator Edward Bailey noted three changes in the Town Report. On Page 8 the year should be 1992 not 1991, on Page 14 take out the words Less Exclusions on the next to the last line, and on Page 75 the last word in the second paragraph should be miscellaneous not malocclusions.

ARTICLE 2. To see if the Town will vote to authorize Amendment #1 to the Town of Salisbury Zoning Ordinances as proposed by the Planning Board and printed in the Town Report, to make the changes to Articles regarding commercial zones, special exceptions and signs. (By official ballot)

YES 136 NO 105

ARTICLE 3. To see if the Town will vote to authorize Amendment #2 to the Town of Salisbury Zoning Ordinance as proposed by the Planning Board and printed in the Town Report, to make the changes to Articles III and VI regarding sawmills. (By official ballot)

YES 134 NO 103

ARTICLE 4. To see if the Town will vote to authorize Amendment #3 to the Town of Salisbury Zoning Ordinance as proposed by the Planning Board and printed in the Town Report, to make the changes to Article V:B regarding road frontage determination. (By official ballot)

YES 118 NO 119
RECOUNT REQUESTED

ARTICLE 5. To see if the Town will vote to authorize Amendment #1 to the Town of Salisbury Building Codes as proposed by the Planning Board and printed in the Town Report, to make the changes to Article II and VII, Floodplain Development Regulations, to assure the Town's continued eligibility in the National Flood Insurance Program. (By official ballot)

YES 200 NO 48

ARTICLE 6. To see if the Town will vote to authorize Amendment #2 to the Town of Salisbury Building Codes as proposed by the Planning Board and printed in the Town Report, to allow updates and revisions to the BOCA Code to be incorporated following public hearing by the Planning Board, pursuant to RSA 674:52. (By official ballot)

YES 155 NO 75

ARTICLE 7. To hear the reports of the Officers of the Town, agents, auditors and committees appointed and pass any vote relating thereto.

Motion was made by David Chamberlin and seconded by David Rapalyea to accept article as read.

Vote was in the affirmative.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000) to be added to the North Road Bridge Capital Reserve Fund, established in 1992. (The Selectmen and Budget Committee recommend this appropriation.)

Motion was made by David Chamberlin and seconded by David Rapalyea to accept article as read.

Vote was in the affirmative.

ARTICLE 9. To see if the Town will take the following action with regard to certain Capital Reserve Funds:

- a. vote to discontinue the Emergency Services Equipment Capital Reserve Fund established in 1987;
- b. create three new Capital Reserve Funds entitled: "Fire Emergency Services Equipment Capital Reserve Fund", "Rescue Emergency Services Equipment Capital Reserve Fund", and "Police Emergency Services Capital Reserve Fund";
- c. to reappropriate the existing balance in the Emergency Services Equipment Capital Reserve Fund to these new funds as follows:

Fire Emerg. Services Equip. CRF	-\$36,264.69
Rescue Emerg. Services Equip. CRF	-\$ 4,356.94
Police Emerg. Services Equip. CRF	- 7,904.63

and

- d. designate the Selectmen as agents to expend funds from said Capital Reserve Funds to carry out the purposes thereof. (The Selectmen and Budget Committee recommend this article.) (Requires 2/3 vote.)

Motion made by Dorothea Lovejoy and seconded by David Chamberlin to accept article as read.

Selectman Kathleen Downes amended the article so the words "plus any interest accrued from 1-1-94 through 3-8-94. Such interest to be distributed with 75%, 15%, 10%, formula originally used to reallocate the monies." This line is to be added after the line that reads (Police Emerg. Services Equip. CRF 7,904.63) and before the work and.

Motion was made by David Chamberlin and seconded by David Rapalyea to accept amended article as read. John Phillips explained that the E-911 figure was added in to the Emergency Fund Service figure and should not be part of this figures.

A 2/3 vote was needed on this amended article.

Vote was in the affirmative

YES 108 NO 0

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of Fifty Three Thousand Dollars (\$53,000) to purchase a refurbished fire truck. This appropriation shall be funded as follows: the sum of \$35,000 shall be withdrawn from the Fire Emergency Services Equipment Capital Reserve Fund established under Article 9; the existing 1972 Ford Pumper shall be a trade-in on the fire tuck at an estimated value of \$5,000; the sum of \$500 shall be donated by the Salisbury Firemen's Association (the acceptance of which is hereby authorized); and the sum of \$12,500 shall be raised by general taxation. (The Selectmen recommend this appropriation.) (NOT RECOMMENDED BY THE BUDGET COMMITTEE.)

Motion was made by David Rapalyea and seconded by Paul Hurley to accept article as read.

David Addison stated that it would be difficult to get parts for this truck if it broke down. It was also mentioned that the truck was stored by Hudson for four years before being purchased by Valley Transportation.

Selectman Sharon MacDuffie stated that she had called Hudson for more information on the truck and they confirmed all the problems that the truck had.

Paul Hurley pointed out that the truck would come with a one year warranty - 6 months 100% parts and labor - 6 months 50/50.

Thomas McDonough mentioned that the new truck would hold 5 people and be able to take a full crew to a call. The old truck can only hold 2 for a rescue call.

Article was defeated. Yes 27 No 93

ARTICLE 11. To see if the Town will vote to raise and appropriate an amount not to exceed \$12,000 for repairs to the 1972 Ford Pumper to return it to active service. (The Selectmen recommend this appropriation in the event that Article 10 does not pass.) (The Budget Committee recommends this appropriation.)

Motion was made by David Chamberlin and seconded by David Rapalyea to accept article as read.

Vote was in the affirmative.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of Nine Thousand Dollars (\$9,000) to be added to the Fire Emergency Services Equipment Capital Reserve Fund, established in Article 9 of this town warrant. (The Selectmen recommend this appropriation in the event that Article 10 does not pass.) (The Budget Committee recommends this appropriation.)

Motion was made by David Chamberlin and seconded by Pete Ballou to accept the article as read.

Vote was in the affirmative.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000) to be added to the Rescue Emergency Services Equipment Capital Reserve Fund, established in Article 9 of this town warrant. (The Selectmen and Budget Committee recommend this appropriation)

Motion was made by David Rapalyea and seconded by Dave Chamberlin to accept the article as read.

Vote was in the affirmative.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of Twenty Five Hundred Dollars

(\$2,500) to be added to the Police Emergency Services Equipment Capital Reserve Fund, established in Article 9 of this town warrant. (The Selectmen and Budget Committee recommend this appropriation.)

Motion was made by David Chamberlin and seconded by Pete Ballou to accept article as read.

Vote was in the affirmative.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to be placed in the E-911/Tax Map Capital Reserve Fund, established in 1993. (The Selectmen and Budget Committee recommend this appropriation.)

Motion was made by Norma Lovejoy and seconded by David Chamberlin to accept article as read.

Vote was in the affirmative.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of Twenty Five Hundred Dollars (\$2,500) to be added to the Reassessment of the Town Capital Reserve Fund, established in 1976. (The Selectmen and Budget Committee recommend this appropriation.)

Motion was made by Norma Lovejoy and seconded by Dave Chamberlin to accept article as read.

Vote was in the affirmative.

ARTICLE 17. To see if the Town will vote to appropriate up to the sum of Four Thousand Dollars (\$4,000) for the paving of the parking area at Academy Hall, and authorize the withdrawal of up to the sum of Four Thousand Dollars (\$4,000) from the Town Buildings and Grounds Capital Reserve Fund, established in 1972, and renamed in 1992, for this purpose. (The Selectmen and Budget Committee recommend this appropriation.)

Motion was made by Dave Chamberlin and seconded by Norma Lovejoy to accept article as read.

Sandra Miller and Joe Landry, members of the Budget Committee, were not in favor of the article.

Selectman Kathleen Downes stated that the paving would help with the maintenance of the yard and also make the office more handicap accessible.

Ray Cote pointed out that the money for this project would come out of the Capital Reserve Fund not our taxes.

Vote was in the affirmative Yes 65 No 45

ARTICLE 18. To see if the Town will vote to raise and appropriate up to the sum of Forty Five Hundred Dollars (\$4,500) to purchase a used sweeper for the Highway Department. (The Selectmen and Budget Committee recommend this appropriation.)

Paul Hurley asked what part of town this sweeper would be used in. Road Agent William MacDuffie, Sr. stated he would sweep the tar roads after he cleans out the ditches.

Daisy Dunham asked how this job was done now and was told we rent a sweeper for \$200.00 a day.

This article was defeated.

ARTICLE 19. To see if the Town will vote to adopt and ratify the change in the Salisbury-Warner Town Line in the so-called Watson District or Quimby Road area, as set forth in Chapter 33 of the 1993 Session Laws passed by the New Hampshire Legislature. This article, if passed, shall take effect only if the voters of the Town of Warner similarly vote to adopt and ratify the Town Line change on or before June 30, 1996. The effective date of the Town Line change shall be April 1st in the year next following ratification by both towns. (Ballot vote, 2/3rds vote required.)

(Voters should note that an appropriation necessary to implement the Town Line change will be required and will be voted separately under Article 20, if Article 19 passes.)

Motion was made by David Chamberlin and seconded by Norma Lovejoy to accept article as read.

Dave Connors stated that the service road has been closed for 60 years. It is also much easier for the people in that part of town to get to Warner and to get their services from the Town of Warner. It was also pointed out that there is 793.3 acres involved and that the Town of Salisbury would lose approximately \$14,503.00 in taxes and the tax rate would increase .22 cents per \$1,000.00

Vote was in the affirmative Yes 77 No 33

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to cover Salisbury's share of half the costs incurred by the adoption of Article #19 regarding the change in the Salisbury-Warner Town Line. Adoption of this shall be

contingent upon the Town of Warner voting to adopt and ratify the Town Line change at the 1994 Annual Meeting. (The Selectmen recommend this appropriation only in the event that Article 19 passes.) (Budget Committee recommends this appropriation).

Motion was made by David Chamberlin and seconded by David Rapalyea to accept the article as read.

Vote was in affirmative.

ARTICLE 21. To see if the Town will vote to accept the budget as presented by the Budget Committee and to raise and appropriate such sums as may be necessary to defray Town charges for the ensuing year, or to pass any vote relating thereto.

Motion was made by David Chamberlin and seconded by Pete Ballou to accept article as read.

Total Budget \$476,996.00

Vote was in the affirmative.

ARTICLE 22. To see if the Town will vote, pursuant to RSA 674:40-a, to delegate to the Selectmen the authority to accept, as Class V highways, dedicated streets which correspond to streets shown on subdivision plats or site plans approved by the Planning Board or on a street plat made or adopted by the Planning Board. The exercise of such authority shall be discretionary and on such terms and conditions as the Selectmen deem appropriate.

Motion was made by David Chamberlin and seconded by David Rapalyea to accept article as read.

Selectman Mary Heath explained that at this time new roads are only accepted at Town Meeting after having approval by the Planning Board and a public hearing.

A voice vote was too close to call. The Moderator asked for a show of hands, and the count resulted in a tie - Yes 44 No 44

Moderator Ed Bailey then cast his vote in the affirmative to pass the article. At this time a recount was requested by Joseph Landry, with new counters.

A second hand count resulted in Yes 45 No 48

This article was defeated.

ARTICLE 23. To see if the Town will vote to adopt as a Town Ordinance the Cemetery Rules and Regulations as

printed in the 1993 Town Report, as proposed by the Cemetery Trustees, and to impose a penalty not to exceed \$500 for each violation.

Motion was made by David Chamberlin and seconded by Pete Ballou to accept article as read.

Vote was in the affirmative.

ARTICLE 24. Shall the Town accept the provisions of RSA 33:7 providing that any Town at an Annual Meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to issue tax anticipation notes?

Motion was made by David Chamberlin and seconded by David Rapalyea to accept article as read.

Vote was in the affirmative.

ARTICLE 25. Shall the Town accept the provisions of RSA 31:95-b providing that any Town at an Annual Meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to apply for, accept and expend, without further action by the Town Meeting, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year?

Motion was made by David Chamberlin and seconded by Pete Ballou to accept article as read.

Vote was in the affirmative.

ARTICLE 26. To see if the Town will vote to rescind the authority to borrow funds for replacement of the South Road Bridge as authorized by Article 14 of the 1987 Annual Town Meeting as the project has been completed without having issued any of the bonds so authorized.

Motion was made by Norma Lovejoy and seconded by David Chamberlin to accept article as read.

Vote was in the affirmative.

ARTICLE 27. To see if the Town will vote to authorize the Selectmen to transfer tax liens or to sell real estate acquired in default of redemption by Tax Collector's deed by sealed bid or public auction, pursuant to RSA 80:80. This authorization shall remain in effect indefinitely until rescinded.

Motion was made by Norma Lovejoy and seconded by Dorothea Lovejoy to accept article as read.

Vote was in the affirmative.

ARTICLE 28. To see if the Town will vote to authorize the Selectmen to sell Town property with a value under Three Thousand Dollars (\$3,000).

Motion was made by David Chamberlin and seconded by Dorothea Lovejoy to accept article as read.

Vote was in the affirmative.

ARTICLE 29. To transact any other business that may legally come before this meeting.

At this time Moderator Edward Bailey recognized Selectman Mary Heath who congratulated Don Nixon for his years of service to the Town of Salisbury and for having the Town Report dedicated to him. Dr. Paul Shaw was also given thanks for his many years of service to the Town of Salisbury and for being chosen 1993 Citizen of the Year. Pete Ballou, Stacy Frew and Edward Bailey were thanked for their hours of work on the Cemetery Committee.

Selectman Sharon MacDuffie was given thanks by the Board of Selectman and the citizens of Salisbury for her work and dedication as a Selectman.

Polls were closed at 9:58 PM
